

UFO HIGH BAY G5 SERIES

AN EVOLUTION IN LED

- Excellent heat dissipation ability and stable quality
- Low Temperature, Longer Lifespan
- High Luminous & Low power consumption
- Mercury. & lead free, environment friendly
- Easy installation & Low maintenance
- Surface of fixture treated with Anti-static, Thermostable & Anti-corrosive point

Lighting Like No Other

ECO LED LIGHTING SOLUTION

Powered by

OSRAM

Opto Semiconductors

Made In Malaysia

IP 65 Weather-proof

Quick & Easy Installation

Isolated Driver

Application

Factories , Manufacturing Plants &
Warehouse, Sport Facilities,
Supermarkets & Department Stores,
Showrooms.

Product Speifications

LEDs Brand	OSRAM LED @DURIS S5 3030			
Working Voltage	AC85-265V			
Working Power	60W	100W	150W	200W
Max. Luminous Flux	8400 lm	14000 lm	21000 lm	28000 lm
Luminous Efficacy	140lm /w			
Lux @ 1 Meter	2300 Lux	4500 Lux	7000 Lux	10000 Lux
CCT	5700K / 4000K / 2700K *			
PF	> 0.95			
CRI	Ra>80			
Beam Angle	90° / 120°			
Working Temperature	-25°C ~ 50°C			
Protection Rating	IP65			
Lifespan	50,000 Hours (Ta=30°C @L70)			
Compliance	LM80			
Product Weight (KG)	1.30	2.10	3.20	4.80

*Pre-order@4000K / 2700K

*Optional Upgrade to Meanwell Driver
